Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Friday 23 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry, bright, with hazy sunshine, but cloudier in north.

Today:
Frosty start for some then dry and bright with some warm sunshine, but cloudier in north with a few showers, mostly over the Northern Isles and over hills. Sunshine becoming hazy in southern parts with cloud increasing through the day.

Tonight:
Bright end to the day, then some clear spells overnight, but rather cloudy, especially in north where still a few showers. Light winds and risk of frost in places.

Saturday:
Early low cloud near east coast, then mainly dry and bright with some sunny spells and light winds, but a cloudier day. Still some showers in north, mostly Northern Isles.

Outlook for Sunday to Tuesday:
Mainly dry and bright on Sunday. Cloudy with rain or showers Monday, some heavy in north. Mostly cloudy on Tuesday and breezier with showers, though some brightness, especially in southwest.
